About Us

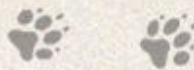

We are one of the eminent designers, manufacturers and exporters of Stainless Steel Petware. Our wide range of Petwares is appreciated widely for exclusive designs and aesthetic appeal.

The products are crafted in the mix of indigeneous and latest machinery with a very strict quality control through in house processes like forming work, hardening, pressing, forging, edging, setting and polishing. It is this stringent quality control that has earned Veer metals its reputation.

As A global player, veer metals have a Strong presence in More than 32 Countries covering North America, Asia , Middle east, Europe and latin America.

Its Not the Words matter quality, Competitive price, Timely Delivery and People's Determination speaks itself.
